

Safety Measures

Chauffeurs Will Wear Masks When With the Public

We recommend passengers wear a mask, but we are not requiring it at this time. All team members at our facility wear masks when not in their private office.

Daily Temperature Checks

Upon arrival to the office, every person is temperature-checked. We advise all team members to stay home if they have any symptoms or feel ill.

Vehicle Cleaning & Disinfectant Procedures

Chauffeurs will clean and wipe down all touch points in the vehicle between trips with a disinfectant cleaner. Detailers do a daily DEEP clean of all vehicles with commercial-grade sanitizers.

Extra Mile Safety

Luggage Handling

- For the protection of all, we ask that guests handle their own luggage. Chauffeurs are available to assist upon request.

Sanitizing Hand Wipes & Gel Hand Sanitizer

- Available for passengers upon request.

Social Distancing

- We kindly request that guests sit only in the back seat to promote social distancing. As a result, guest count per vehicle may be limited.

Safety Partitions have been installed in Sedans & SUVs

- AC vents are accessible in the rear passenger areas.
