

Jungermann Road will undergo smoothing operations that will require lane closures between Country Creek Drive and Barkwood Trails Drive.

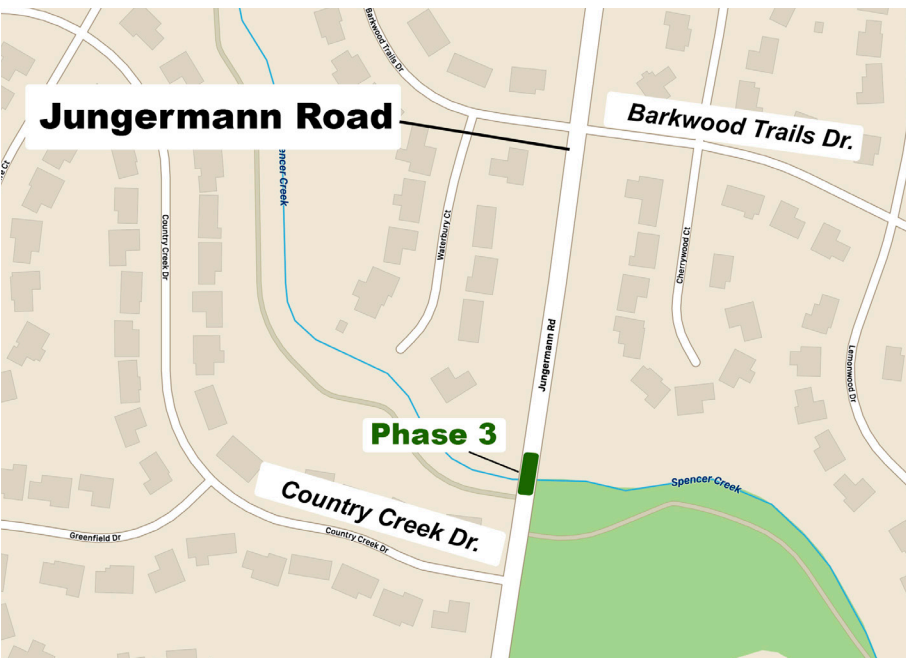

Phase 1 - Bridge Deck Preparation:
This work will require routing of the two southbound lanes into one center turn lane.

Phase 2 - Diamond Grinding:
This work will smooth all lanes of travel, requiring alternating lane closures.

Jungermann Road

Phase 2

Jungermann Road

Phase 3

Phase 3 - Epoxy Polymer Overlay:
Work will alternate between northbound and southbound lanes at the Spencer Creek bridge.
